Installation Instructions

This guide covers the following Item Numbers:

103, 104, 109

Metal Strap Mounting System

IMPORTANT! READ ALL INSTRUCTIONS BEFORE BEGINNING INSTALLATION.

The metal mounting straps may be used to attach an electric fan, a transmission fluid or engine oil cooler coil, or any other item that you may desire. Mounting System 109 is ideal for undercar installation of thin line cooler coils. Our nylon mounting strap system is also available, P/N 105.
